@ GURU RAM DAS ASHRAM

RETREAT INFORMATION SHEET

You like the part of the teacher how people touch your feet and how they love you and all that paraphernalia, but you do not know the Karma of the teacher. He sits on one foot long spike nails chair. He has to lie once and he is caught forever. The oath of a teacher is, I am not a woman, I am not a man, I am not a person, I am not myself, I am a teacher.

Your job in the Age of Aquarius will be to understand your own self, your self-dignity, your self-esteem, your self-morality, your self-ethic, your self-spirit and rise and resurrect yourself to the point that you can lift by sight, touch and word.
